THE NEXT SESSION WILL BEGIN such narrow limits, and as my intelli- Mayflower will be sent on trial for two ast year.

B. L. ARNOLD, Pres. gent friend, the reader has divined, months for only ten cents. Try it. ast year.

DOUGLAS COUNTY Is Situated in Southern Oregon. and is a veritable empire of 4,950 Square Miles, being larger than the Great State of Connecticut. Magnificent Climate. Wonderful Resources. Live Men Wanted.

these gentlemen are almost invariably, Republicans, as a good Democrat is generally satisfied with one office. I was led to these reflections by contem-President and Mrs. Cleveland have plating the easy grace with which the returned from their pleasant tour of Hon. Carroll D. Wright, holds the northern New York, looking and Federal office of Commissioner of feeling all the better for the delightful outing and cordial reception 1885, by Arthur, and the State office Labor, to which he was appointed in throughout the trip, but more espec- of Commissioner of Labor in Massaially, at the boyhood home of the President, where his old friends and neighchusetts.

In many of the towns on the Mexican side of the Rio Grande del Norte ("the Grand River of the North"). which separates Texas from Mexico, water is scarce, although a river flows beside them. They have few cisterns known what other summer plans the for grainwater, and no springs, President has arranged only the At- hydrants, or pumps. Quite a number of men make their living by selling water. The city of Matamoras refused to allow a company to erect waterworks to supply the city because it

Some alarm was felt at the White their business. House the other day at the discovery that the lathes and rafters, in the southern portico were decayed, and it was thought that the mansion was in danger of a collapse, but an examination has dispelled all fear, as only slight repairs will be necessary to stay I learn that the Administration regards with the liveliest satisfaction the deliberations and nominations of the Ohio Democrats, and, that the President feels that his course has The receipts of the Post Office Department for the third quarter of

tomer. be reduced to about \$100,000, by the receipt from international money order. A comparative statement of the business of this Department for the first three quarters of the years 1885-86-87, show that the receipts have constantly and largely increased and that there has been a corresponding decrease in the deficiency so that it is very probable the Post Office Department will be on the self sus-The count of the cash and securities in the Treasury which began two months ago incidental to a change of

pensions can be paid from the date of after him! the passage of the Act, Jan. 29th, 1887, only when pensioners were sixty-two years old previous to that date; in the exceptions to this rule, the payment will begin on the day when the pensioner is 62 years of age, unless in The Secretary of the Interior has won additional claim to the admiration of the fair sex by the important economy as well as in spiritual life.

The Congregational Sunday School & Publishing Society began with this There was no surprise in the In- year the publication of a four-page terior Department when the resigna- weekly for youngest readers in the tion of the chief clerk of the Patent primary department of our Sunday Office who is one of those so-called schools, the name of "The Mayflower" "indispensable" Republicans, holding being given it as appropriate to the office under a Democratic Administra- "Pilgrim" Series of publications for tion, was announced, though the Suuday schools, of which it was to Washington newspapers either sup- form a part. The Society has recently pressed or were profoundly ignorant learned that a newspaper bearing the of the real reason, which was the same name had for some years been Chief Clerk's relation to the Bacon published at Yarmouthport, Mass., by defalcation it being the former's duty, Mr. George Otis. This has led to a under the law of the United States, to friendly correspondence, and Mr. Otis, examine the accounts of the financial with evident sympathy in the work of clerk every month, and certify whether the Society, cordially acquiesces in the or not they are correct. And the use which is made of the title, "The Chief Clerk regularly certified to the Mayflower," in connection with the correctness of the financial clerk's ac- juvenile publication above referred to. counts, for four years-the latter be- Acknowledgements are due to Mr. Otis ing a defaulter all of that time. And for his great courtesy in this matter, no sooner is the chief clerk shown the and it should be clearly understood door than he essays the difficult task that his right to the title, "The Mayof "whitewashing" his corrupt associate flower," as applied to a newspaper, is in no way affected by this use which There is no doubt but what the is made of it, with his knowledge and various Departments are literally hon- consent, by the Congregational S. S. & eycombed with Republican rascals Pub. Society. Mr, Otis's "Mayflower" Leading Check Restaurant and thieves who should be sent on is an attractive weekly paper (secular) with Forger Harvey, who will serve of eight pages, and is intended for the his country twelve years in an humble family. It has a large variety of readcapacity at Albany. In one of the ing matter adapted to old and young, is Departments, a certain prominent carefully edited, and its price, \$1 per hold over Republican, has been so year, places it within the reach of urgent in insisting on the destruction many readers who cannot afford the of some official papers that he has been higher-priced papers .- Congregation-

placed under surveillance as a suspect alist, May 26th, 1887. because such great solicitude must be We understand correspondence, is of much significance either to this in- being had with Oliver Opic, James Otis, Horatio Alger, Jr., and other Most men are content with holding eminent writers for the young, in one office, but I know of several, order to secure their interesting conwhose ambition cannot be bound in tributions for the Mayflower. WATER-PEDDLERS.

bors esgerly thronged about him, glad to honor the man who had risen, like a At the White House, it is not yet would deprive the water peddlers of

Every peddler has a barrel with a piece of plank or scantling nailed across each end. In the middle of the plank is a stout spike or iron pin, to which is attached a piece of chain reaching beyond the edge of the barrel, and to the ends of the chains are attached rawbide or other kinds of rope. The barrel has at one end two large wooden plugs. To fill it the Mexican goes up to his knees, or deeper, in the water, pulls out both plugs and the water rushes in at one hole, while the air in the barrel goes out at the other. When the barrel is the last fiscal year was \$13,012,497; side, steps inside the rope, and walks expenditures, \$13,272,508; deficiency, through the town seeking a cus

The peddlers are queer-looking men with dark complection and long, straight black hair, like Indians They wear wide-brimmed, low-crowned "sombreros" (hats), trousers rolled up to the knees, or higher, and are almost always smoking a cigarette. Sometimes a peddler saves his money and buys a "buro"-a donkey not much higher than a table-and, either tving the rope of his barrel to the saddle or putting the rope around the buro's neck, gets astride the little animal, and enjoys a ride while going around with

his barrel of water. Just imagine a man wearing a hat found correct to a cent, with the exwith a brim as wide as a small parlor ception of the deficiency of \$2.40, center-table, with no shoes, with trousers rolled above his knees, riding a donkey so small that he has to hold his knees up to keep his feet from the commissioner of pensions replies, dragging on the ground, and with a that, under the Mexican Pension Act, barrel of water rolling over the ground

A little more enterprise and intelligence would soon give them water for household purposes in a decidedly better way than this. But the peope are ignorant, for the most part, with little taste for improvement. This will not last for ever. Our missionaries are giving the gospel to the people of Mexico. and the result will be forward steps in

The Mayflower.
